Dear Jim:

Some time ago I mentioned that we would be privileged to have you serve as a judge for National Coin Week.

Judging this year will take place on Friday, May 30, and it should not be too difficult a task since there will be just about 2 dozen scrapbooks to review.

Although hundreds of clubs throughout the country participate in the annual observance, all too few bother to record what they have done in the form of a scrapbook.

We look forward to seeing you that weekend and adding your name to the list of eminent judges.

Sincerely,

EDWARD C. ROCHETTE
Editor
